- I have never been to Oregon, but because of all the beautiful information that was sent, I booked a flight, hotels and a rental car to check out the beauty of Oregon. I wouldn’t have been as inspired if it weren’t for the information sent. We will be there October 14-17. So excited!!!
- It’s a colorful, easy to access — no wi-fi required, chock full of info yet not too bulky, travel Oregon companion! I’m a native Portland Oregonian but haven’t been out & about in our fabulous state enough, the excellent Travel Oregon guide is helping me fulfill my tourist aspirations!
- The maps were extremely helpful while we were trying to navigate and wanted to do so without using our phones. We decided before we left for our trip, we would turn off social media and phone data and just use it for pictures so we needed a map and the guides were super helpful!

Following are the creative guidelines you are agreeing to for your story:

Trust the writer.
Tell your story but also know that our professional writers need some discretion to emphasize the aspects of your story our readers will love.

Keep it simple.
Your story will have more impact if you have a strong focus and limit multiple concepts, topics and examples.

Less is more.
To look beautiful and for consumers to absorb the information, the number of words and photos are limited on story pages.

Yes you can proof it.
You will have two rounds of proofing to fact-check and make other copy changes. Travel Oregon will also proof and approve the story to make sure it fits into the editorial guidelines of the website.

Rights and usage.
Just like our regular stories, the words and pictures related to the story may only be used as seen in the context of the Travel Oregon website. You are free to promote your story in any of your media channels as long as it links back to the article as it lives on the Travel Oregon site. You will receive a thumbnail photo and a link to the story. Use of any words or photos from the story in other ways such as in an ad or another website would incur an additional charge subject to photography rights. If you’d like to own the photos we are happy to look into additional rights and cost if you have something in mind.

Disclosure.
Because of these guidelines, your story will credit your organization as the sponsor of the story

Stick to the plan.
Changing direction while work is in-progress may incur additional cost.

If all this sounds good to you, let’s get started building and telling your story...everywhere.
