

North Coast FOOD TRAIL

OREGON COAST

ASTORIA TO NESKOWIN

**FRESH SEAFOOD
ARTISAN CHEESE
CRAFT BREWS**

WINNER!

The North Coast Food Trail is a collaborative effort to connect people to the bounty available on Oregon's North Coast. Supporting local food is a way to support our communities and the producers and crafters who work hard to grow and use our local ingredients.

STEWARDSHIP ON THE OREGON COAST

We encourage you to become a temporary local while visiting the north Oregon coast. Dispose of trash properly, please don't toss it aside on the ground or on a trail. Be safe on the beach, don't turn your back on the ocean. We want you to enjoy your visit.

SEASONAL FOODS AND BEVERAGES

Members of the North Coast Food Trail use local foods as much as possible to create seasonal menus or craft special beverages. You'll often find new things to try each visit. Enjoy!

TRAVEL TIPS

The North Coast Food Trail is open to visitors throughout the year and is designed to be explored at your own pace. It extends from Astoria, Seaside and Cannon Beach through all of Tillamook County with more than 100 miles of delicious adventures. There's a reason **Sunset Magazine** gave it an Editor's Choice Travel Award for best food tour in the West.

Before setting out along the North Coast Food Trail, plan ahead by mapping your route to make it easy to navigate remote areas without cell service. High season varies per business but is typically May - October. Farmers markets—Clatskanie, Astoria, Seaside, Cannon Beach, Manzanita, Tillamook and Neskowin—operate from mid-May or mid-June through September.

When visiting a farm, we ask that you respect the property, and be cautious around farm animals and equipment. Children must be supervised at all times. Be prepared to follow all site-specific safety rules, and wear appropriate footwear.

Please check the hours of operation for each business online or by phone and note when advance reservations or appointments are required – farms will require appointments. Wear a mask if asked to do so, and use hand sanitizer before and after visiting a farm.
